

2025 NSC Computer Training Dates

We are offering three computer training sessions that will cover multiple topics and require various people from each team to attend. Please read below for what each session will cover and who from your team will be required to attend.

Please be sure to have all your computer people, head coaches, and at least one rep from your team sign up. We will communicate all computer updates, trainings, and other computer related items via the contacts we collect on this list. Please scan the QR code and fill out the google form! Thanks!

Session 1 – TeamUnify and Meet Manager Meet Set-up

- When - Sunday, April 13th at 7pm
- Where – Zoom
- Who – All TeamUnify and Meet Manager computer people
 - Those who use TeamUnify and Meet Manager outside of meets to do entries and upload meets
- What – A 30-minute review and training on how to clone meets and enter the correct dates/times for all meets. We will also cover meet entries, syncing, and trouble shooting.
- Attendance by each team is mandatory

Session 2 – Meet Manager and Meet Protocols

- When – Thursday, May 29th at 7pm
- Where – Zoom
- Who – All computer people who run the computers during meets
 - Coaches can also attend, new coaches are encouraged to attend
- What – A 30-minute review and training on best practices during meets, trouble shooting, and protocol after each meet
- Attendance by each team is mandatory

Session 3 – City and Classic Entry Rules

- When – Sunday, June 22nd at 7pm
- Where – Zoom
- Who – Anyone involved with City/Classic entries
- What – A 30-minute review and training on Classic and City entries, deadlines, and other best practices
- Attendance by each team is mandatory
